1. Centre hospitalier de l'Universite de Montreal is the owner of all rights in the captioned application.
2. As sole owner in the captioned application, Centre hospitalier de l'Universite de Montreal hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §154 to §156 and §173, as presently shortened by any terminal disclaimer, of prior U.S. Patent Application 12/171,447.
3. Centre hospitalier de l'Universite de Montreal hereby agrees that any patent so granted on the captioned application shall be enforceable only for and during such period that it

and the prior patent are commonly owned. This agreement runs with any patent granted on the captioned patent application and is binding upon the grantee of such patent, and its or his successors or assigns.

4. In making the above disclaimer, Centre hospitalier de l'Université de Montreal does not disclaim the terminal part of any patent granted on the captioned patent application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §154 to §156 and §173 of prior U.S. Patent Application 12/171,447 as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.
5. Centre hospitalier de l'Université de Montreal certifies that it is the assignee of the entire right, title and interest in the patent application identified above by virtue of an assignment from the inventors of the patent application identified above.
6. The Terminal Disclaimer fee under 37 CFR 1.20(d) is included.
